

JULIE RAMSDELL M.S., Reiki Practitioner
Energy Healing

Julie Ramsdell has been a student of spirituality and meditation for the past 10 years, and energy healing for the past 7 years, studying both independently and with internationally known Reiki master and energy intuitive healer, Marie Manuchehri. She is Reiki Level 2 Certified, and will be completing her Reiki Master training in the next year with Marie in Seattle. She recently attended a 3-day intensive workshop at the Omega Institute in Rhinebeck, NY, entitled "Healing Your Body Intuitively", which was life-changing and completely energizing! She is PASSIONATE about energy work, and loves to share what she's learned with like-minded seekers open to alternative paths to well-being, health and happiness. An intuitive energy reader and coach for human clients who wish to tap into the vast source of knowledge and guidance available to all, she also gets a thrill from working as an animal communicator. She attends a weekly Intuitive Development Circle to sharpen her skills. She has an MS in Communication from Boston University.
